

Slotozilla Showcases Global Growth at iGB Live London 2025

Wednesday 13 August, 2025

Slotozilla, the leading independent iGaming platform offering expert casino reviews and free-to-play slot demos, capped off a record-breaking first half of 2025 by taking centre stage at iGB Live London. Following a sublime performance in the first quarter, Slotozilla continued its upward trajectory in Q2. This has been accomplished by forging 25 + new partnerships, rolling out 139 exclusive bonuses, and extending its reach to over 15 countries.

iGB Live London 2025 is arguably the biggest gathering of iGaming stakeholders of the year, making it the hotspot of industry-shaping connections. Slotozilla approached it as a high-priority event, with its delegation in London led by Tim Cline, the company's editor-in-chief. He said:

"It was an incredible experience to meet so many passionate affiliates face-to-face. I'm proud of the collaborations we've initiated and excited about the value these brands will bring to our users."

During the event, Slotozilla secured agreements with key affiliates such as FTDgallery, GameGrow, and ToTheMoon Affiliates. Each of the 25 new partners brings unique strengths—with FTDgallery leading with exclusive first-deposit incentives. GameGrow focuses on offering quality games and deep Canadian market insights, while ToTheMoon's gamified approach in multiple regions enables a richer experience for players worldwide. Such an extensive array of new strengths is bound to make Slotozilla's offerings much more robust.
