

SmartyPlants founder Ben Beavers takes his business pitch to prime time

Thursday 17 September, 2026

[SmartyPlants](#) founder Ben Beavers will appear on **Dragons' Den** today, pitching his smart plant sensor to some of the UK's best-known investors.

The episode will air **today at 8pm on BBC One** and will also be available on **BBC iPlayer**.

Ben says: "It was an incredible experience and something I'll never forget. I'm really looking forward to finally being able to share it with everyone and for people to see how we got on."

Viewers will have to tune in to find out what happens.
