

‘SNIFFED OUT: Meghan, Harry, Disney and the Advocacy for Human Rights, United States, United Kingdom, and the Commonwealth,’ the Highly Anticipated Memoir of Pallavi Kakoti McHugh, The UN whistleblower, Publishing Globally on February 4, 2025

Tuesday 4 February, 2025

Unveiling a unique story and perspective, SNIFFED OUT, the memoir of Pallavi Kakoti McHugh, a distinguished UN whistleblower, will be published globally on February 4, 2025. The book cover image has been revealed and can be viewed at www.triggerspoint.com. [This unique perspective promises to offer readers a fresh and thought-provoking take on human rights and resilience.](#)

SNIFFED OUT will be released simultaneously in audio and digital formats worldwide by Google Play Store, ensuring that readers can access the memoir in their preferred format.

SNIFFED OUT immediately transports readers to the history and true significance of human rights and racism, highlighting the importance of good race relations and racial harmony. With its raw and candid approach, SNIFFED OUT stands as a landmark publication, offering valuable insights, revelations, self-reflection, and hard-earned wisdom. It emphasizes the enduring power of resilience, objectivity, evidence, and the desire for racial harmony, unity, and peace over subjectivity, spin, and divisiveness.

“It is my candid and emotionally powerful story, intended for readers everywhere. I share a remarkably moving personal journey—a tale of love for my dogs and the experience of an ordinary person who single-handedly took on the establishment after being denied the right to equal opportunity. This story of resilience will inspire and encourage millions around the world to recognize the importance of courage, the fight for human rights to equality, and the need to protect good race relations and racial harmony. It also highlights the progress made in promoting positive race relations within the British monarchy, the UK, and the Commonwealth,” said Pallavi Kakoti McHugh, inviting readers to join her on this personal and inspiring journey.

“If you enjoyed watching the movies Slumdog Millionaire, Bank of Dave, and Murder on the Orient Express, you will appreciate my book. It’s a story that beautifully combines the feel-good themes and element of the destiny of these films while remaining unique,” said Pallavi Kakoti McHugh.

Information about the book is available for consumers at: www.triggerspoint.com

English-language editions of SNIFFED OUT will be published worldwide on Google Play Store.
