?SocialBox.Biz launches signup for their CSR ISO 26000 Guide

Wednesday 19 April, 2017

SocialBox.biz (London UK based social enterprise company) is now offering signup for receiving their ISO 26000 Corporate Social Responsibility (CSR) guide. The guide provides information about CSR, how to cultivate CSR, and what it's important to care about CSR today.

Developed by SocialBox.biz to introduce new methods for companies to go above and beyond the bare minimum standards required by law, ISO 26000 give its readers an easy-to-understand overview and some ideas to help implement the core elements.

"The bare minimum for CSR isn't enough anymore. Going above and beyond to improve surround communities is what we're here to promote," said Peter Paduh, Chairman of SocialBox.biz.

The expert guide provides readers with guidance for using ISO 26000 by covering concepts and terms, the background, integration and implementation and much more. The guide also looks at key concepts and 7 Core Principles to help better guide businesses.

ISO 26000 is a non-auditable standard published as guidance rather than a strict method to follow. The professional guide is now available on SocialBox's site here:
