As well as this there are indoor-outdoor elements featured throughout the space including a designed structural orange tree on the west terrace. The grid of lights hung from a bamboo ceiling at varying heights helps to create a magical feeling in the daytime and a more intimate feel in the evening. All of this creates a perfect ambiance for stylish and elegant dining.

The party will include a special performance from star-guest Lily Allen which has excited all those attending. Sushi Samba will be offering cocktails and aperitivos to all of their guests.
