

Spruce up your home this summer!

Monday 23 July, 2018

For nearly 20 years Age UK Lambeth have been helping older and less able people across the borough to stay safe and comfortable in their homes. Now we're in a position to extend our handy person service out to everyone in the borough through our new HandyFix service.

Why use us?

- We know what we're doing – we've got 20 years of handyperson experience behind us and all our handyfix staff are fully trained
- Our prices are competitive - we also offer a discounted price for people that are means tested
- You know you're in safe hands – our staff are all DBS checked and all our jobs are fully guaranteed
- When you book us for one job you get us for the whole hour, so you can make a list of those annoying jobs to give us
- All our profits go back into supporting older people in Lambeth

We might not be able to build an extension but for all those irritating, can't be bothered 'we'll do them next weekend type jobs', we're here!

"I would like to say just how impressed both my wife and I were with the speed of arranging the visit, please convey my thanks to the HandyFix team for arranging this so efficiently. The Handyperson was most courteous and helpful in removing one of our smoke alarm covers, fitting a new battery and testing it. I will certainly call on your service, if need be, in the future"

A satisfied HandyFix customer.

To celebrate this we are holding a Summer Spruce Up event! Meet our amazing team and find out how they can help you around your home. Did you know we also have a gardening service? Our new team from Father Nature will also be there to answer any of your questions - don't forget to also check out their musical milk float!

You can also try your hand at some DIY crafts, like grow your own plants and design your own coasters. All of which will hopefully inspire you to spruce up your own home.

Our door is open to everyone so please feel free to bring children and families. Come and join us for a cup of tea and slice of cake, we would love to see you there!
