Stewart Milne Homes has continued its growth in North West England by launching their latest development of family homes in the region.

Worden View is a new collection of family homes located close to Worden Wood – a picturesque setting close to the popular residential towns of Euxton and Buckshaw Village. This specially chosen location is adjacent to the countryside, offering excellent quality of life in a quiet location that is convenient and accessible.

A range of 2 and 3 bedroom homes are available now at Worden View, with larger 4 bedroom homes due to become available in the near future.

The homes at Worden View are part of Stewart Milne Homes' exclusive "Woodlands Collection". Each of these beautiful properties has been designed by an award-winning team to provide an attractive living space with practical considerations to help meet the needs of contemporary families. New homeowners can expect open, spacious living and family areas, well-appointed kitchens with integrated appliances, generously-sized bedrooms and ample storage space.

New home styles available now include:

- The Aberwood – a 2 bedroom terraced mews style home, with built-in wardrobes in bedrooms, an additional study room and a light living room with French doors leading to the rear garden. Prices start from £151,950.
- The Corrywood – a 3 bedroom detached home with a large eat-in kitchen/family area, a convenient utility room and master bedroom en suite. Prices start from £209,950.

Stewart Mile Homes has made their Trading Places plan available at Worden View. By arranging independent valuations of their existing house, and aiming to provide a fair market offer in as little as 5 days, this exclusive initiative helps families to sell their existing property and move into a brand new home that's better suited to their needs.

This development benefits from excellent transport links to major towns and cities in the North East. The M61 is little over two miles from the development, and the brand new Buckshaw Parkway railway station offers frequent services to Manchester, Blackpool and Preston.

Worden View is situated just off Wigan Road, opposite the Charnock Farm garden centre. Show homes and a dedicated marketing suite at Worden View are open Thursday to Monday from 10am to 5pm.
