

STRICTLY JIVING SANTA CLAUS IS COMING TO TOWN

Monday 15 November, 2021

Santa Claus Is Coming To Town is the new Christmas single by the UK's leading jive/swing band, The Jive Aces. The track is released on 26th November as digital single and is taken from the band's EP (Extended Play), **Christmas Is Where You Are**. The single is available from iTunes and Amazon music.

This timeless song, written by Coots and Gillespie, has been revisited by the band and given a Jive Aces' unique upbeat, foot tapping arrangement, with a magic touch of glam with singing trio The Three Belles. The perfect track to give some Christmas cheer! There is also an accompanying vintage-style music video "Soundie", inspired by the classic era of musical films.
