STUDENTS SET TO SPEND A LITTLE & EARN A LOT WITH #FOMOFORTNIGHT FROM VC STUDENTS BY VOUCHERCODES

Thursday 26 September, 2019

As part of its ongoing mission to make life more affordable, leading voucher site VoucherCodes.co.uk has launched its largest ever student saving incentive, #FOMOFortnight, offering two weeks of amazing deals to university students nationwide.

The brand is extending its popular #FOMOFriday student incentive for two whole weeks, from 27th September until 11th October, just in time to help students save on fresher's week buys. Every day throughout the fortnight, VoucherCodes will give away 300-500 free gift vouchers for big brands including Amazon, Topshop, and Costa in return for students shopping at retailers such as Boohoo, Sports Direct, and GAME.

It's simple - by spending a little, you'll earn a lot, with students who get involved every day set to earn at least £150 worth of gift vouchers to spend however and whenever they want!

Whilst students are famously more night owls than early birds, time is of the essence when it comes to snapping up these amazing savings. There are a limited number of vouchers on offer each day, so you'll need to be quick to make the most of the host of vouchers on offer! So make sure to keep an eye on your inbox for daily offer alerts.

Anita Naik, Lifestyle Editor at VoucherCodes adds, *"University is one of the most exciting times of our lives, packed with new independence, new friends, and new experiences – but student life can also be a costly time as you enjoy all of the opportunities at your feet.*

"Taking advantage of the host of student-only offers now at your fingertips, including #FOMOFortnight, can make a real difference to your bank balance. Make sure you don't miss out on huge savings and even bigger rewards, register on VoucherCodes so you can take advantage of all the #FOMOFortnight offers. By being smart with your shopping you can rack-up heaps of vouchers for your favourite brands, which you can save for when your student loan needs to stretch a little further, or just reward all of your hard work with an extra treat you might not otherwise be able to afford."
