# Take on a New Challenge for the New Year with Global Adventure Challenges!

**Thursday 24 January, 2019**

Charity challenge operator Global Adventure Challenges has launched two exciting new UK challenges, and is encouraging anyone looking to conquer an iconic UK challenge in 2019 to join them!

The Snowdon at Night and Yorkshire Three Peaks treks will see people of a range of ages and abilities come together to conquer some of the UK's highest peaks. Whether your goal for the New Year is to build your fitness, raise funds for a cause that's close to your heart, meet new people or just to step outside your comfort zone, taking part in a challenge is a fantastic way to achieve it!

The Snowdon at Night trek is a challenge with a twist, taking adventurers to the summit of Mount Snowdon by starlight, just in time to witness the sunrise across Snowdonia National Park. The Yorkshire Three Peaks trek is a classic UK challenge, taking trekkers to the summit of the Yorkshire Dales' three highest peaks. You can even take on the challenge in a way that suits you – with options including accommodation the night before and/or after the challenge, or a day-only option for those short on time!

Company Director, Peter Robinson said: "We're delighted to add two new open challenges to our ever-expanding range of adventures. Whether you're an experienced trekker or new to the world of charity challenges you'll be in safe hands with our experienced Challenge Leaders, and the one thing everyone will have in common is a sense of adventure and a desire to achieve something amazing!"

The Snowdon at Night trek will take place on 3 - 4 August 2019. You can register to take part for just £49 and then raise a minimum sponsorship amount for the charity of your choice, or alternatively you can choose to pay the additional challenge balance. The Yorkshire Three Peaks trek takes place on Saturday 15 June 2019 with camping options on the night before and/or after the challenge. You can secure your space on the challenge from just £25 depending on the accommodation option you choose, plus a minimum sponsorship amount or challenge balance payment.
