Friday 6 January, 2017

No need to switch or ditch, even our 'The Story of When The Cheese Met The Onion', 'Pastrami in the Rye' and 'How Chicken Soup Saved the Day' crisps, are suitable for everyone.

Tony Goodman, CEO of Yumsh Snacks Ltd - creators of Ten Acre, said: "*As a charity, Veganuary is dedicated to changing public attitudes to food, and their campaigns have had an incredible degree of success in a very short time - they are changing lives all over the world.*"

Veganuary's ideals have a synergy with Ten Acre's 'Free From Plus' credentials, which are changing perceptions on how 'Free From' food should taste, which is wonderful! Snacks can be free from: animal products, gluten, MSG, GMO (and everything else) and still taste fantastic."
