

## The Black Farmer Lays an Extra Rich Yolk Egg In Ocado

Monday 1 February, 2016

With deep golden extra rich yolks, The Black Farmer Free Range Eggs are a bonus for cooks, bakers and pasta makers as well as for everyday use. Ocado shoppers can celebrate Pancake Day with a 25% off offer until 16 February.

The eggs are from only West Country Free Range RSPCA Approved hens, and thanks to the rich and varied diet enjoyed by these Free Range hens, the eggs have very deep golden yolks and a fuller flavour.

"These really are exceptional quality eggs, and hugely popular with cake and pasta makers. But for me it's an everyday treat to have such a deep, rich yolk. So if you like a simple boiled egg or want to whip up a sponge, the colour and flavour are perfect," says Wilfred Emmanuel-Jones, The Black Farmer.

Ocado also lists The Black Farmer's market leading gluten free sausage range, bacon and chicken.
