The Health and Care sector in Greater Lincolnshire

Friday 15 December, 2017

The health and care sector is all about people.

It is all about looking after and supporting people. And this means, the industry looks for certain people to employ.

Within the industry, your employer could be a doctors or dentist surgery; or perhaps you would work caring for the more vulnerable people within the region. No matter where you find yourself, if you work within the health and care sector you will have proved to your employer you are patient, supportive, attentive and skilled.

And you could get into this industry in a variety of ways:

- NVQ
- Apprenticeships
- University
- Work experience

Because it isn't just about your academic background; but all about you.

Take a look at some case studies from people who work in the sector to find out their story!

The World of Work is an online hub for information and resources about employment opportunities across the county. There are so many exciting industries and employers in the Greater Lincolnshire region; it's hard to know where to start looking when it comes to work.
