London savers have continued their lucky streak in the [Halifax Savers Prize Draw](#) as another 59 entrants picked up prizes of £100 and £1000 in January. In total, there have been 115 London winners in the two draws, held in December and January, with £15,600 in prizes heading to the capital.

With over 560,000 registrations, the unique Halifax Savers Prize Draw has grown even further in [popularity with UK savers](#) in January. The great attraction of the draw derives from the fact that savers can choose from a range of products that suit their varying savings needs, earn the interest associated with that account, as well as registering for the big draw. It is not a replacement for earning interest, it is a great bonus: rewarding the commitment to saving.
