*"It's a strong return by The Musketeers, with plenty of dashing action and both political and romantic intrigue."* - Metro

*The Musketeers* Series 2 and the complete Series 1 & 2 boxset will be released on DVD and Blu-ray on 30th March. All home entertainment releases on BBC ONE's fresh and contemporary take on the much-loved novel by Alexandre Dumas are available to buy from BBC Shop and all other good online and high street retailers.

Series 2 sees Marc Warren (*Mad Dogs*) join the cast to play the Comte De Rochefort, a dashing and persuasive aristocrat, with a talent for sword fighting and betrayal.

"He's the series baddie, and I think audiences like me better as a baddie. I've had enough of playing cheeky chappies, and now I thought I'd go down the baddie route. I had to man up and go to the dark side!" Says Marc Warren.

As the series progresses the true nature of Rochefort's plotting is revealed and everyone around him is drawn into his sinister web. Ultimately only the Musketeers D'Artagnan (Luke Pasqualino - *Skins*, *The Borgias*), Athos (Tom Burke - *Great Expectations*, *The Hour, State Of Play*), Aramis (Santiago Cabrera - *Merlin*, *Heroes*) and Porthos (Howard Charles - Royal Shakespeare Company), their loyal allies and friends stand between him and a desperate act that will change all their lives forever.

Extras on both DVD and Blu-ray releases include behind-the-scenes footage and interviews with cast and crew that take a closer look at the incredible skill, special effects and craftsmanship that goes in to the making of the series, entitled 'Secrets of The Musketeers'.
