The Original Standard: Spigen Unveils the Google Pixel 11 Collection

Thursday 20 August, 2026

Spigen has revealed its complete ecosystem of protection design for the newly launched Pixel 11 devices . Built on years of expertise, Spigen’s engineering labs have mapped every curve and contour of Google’s new flagships to guarantee zero interference while delivering military-grade defence.From signature rugged protection to MagFit-integrated versatility, Spigen doesn't just protect but empowers the user's everyday Pixel experience. Where trusted heritage meets the absolute peak of modern innovation Spigen once again proves they are the Original standard for protection for Google’s mobile ecosystem.

Sleek Innovation, Uncompromised Protection

Combining high-performance utility with modern tech aesthetics for both the Pixel 11 series and Pixel Watch 5. Spigen’s Slim Armor Pro MagFit features full hinge protection and an ultra-slim profile, preserving the Pixel 11 Pro Fold’s sleek design without added bulk while ensuring fluid, grit-free folding action.

For maximum resilience, the Tough Armor (AI) MagFit equips the Pixel 11 Pro XL with an iconic dual-layer protection and effortless magnetic utility. Minimalists will find their match in the Liquid Air MagFit, which brings a sleek profile to the standard Pixel 11 with its geometric matte texture for an enhanced non-slip grip.

Completing the ecosystem, the Athlex Air band for Pixel Watch 5 utilizes a lightweight, breathable fabric with a precise hook-and-loop fastener, crafted specifically for all-day comfort whether at the gym or in the office.

Nano Pop MagFit: Vibrant Contrast, Dynamic Style

Spigen’s NanoPop MagFit collection redefines the balance between eye-catching style and dependable everyday defence. The lineup showcases striking two-tone colourways Blueberry Navy, Black Sesame, and Avo Green highlighted by bold accent rings around the Pixel’s distinctive camera island.

Beyond its striking aesthetics, built-in MagFit magnets deliver smooth compatibility with magnetic chargers and accessories, while textured side rails ensure a tactile, secure grip. Concealed beneath its colourful shell, Spigen’s signature Air Cushion Technology actively absorbs daily impacts without adding unnecessary bulk.

Uncompromised Clarity, Maximum Cover

Designed for total device defence, Spigen combines heavy-duty drop protection with uncompromised display clarity for the Pixel 11 series. The Ultra Hybrid MagFit in Frost Black features a refined, frosted translucent back with superior fingerprint resistance. It showcases the phone's clean aesthetic while delivering military-grade impact defence. For heavy-duty protection and utility, the Tough Armor (AI) MagFit incorporates multi-layer impact foam alongside an integrated kickstand, offering hands-free convenience for voice-controlled AI tasks or media viewing.

Completing the full-body setup, the Glas.tR EZ Fit Pro screen protector features an innovative auto-alignment tray, guaranteeing a quick, bubble-free installation with 9H hardness glass that preserves edge-to-edge optical clarity and touch responsiveness.

The Ultimate Lineup: The Original Standard for Every Fit
