Wednesday 10 September, 2014

The [DRTV](#) Centre, the leading UK direct response TV ad agency, has launched a new TV advertising campaign for its latest client [The River Cruise Line](#).

Featuring the perennially popular “Blue Danube” by Johann Strauss as the backing music, the 40 second commercial opens with the line “Cruise the Danube in style, lose your cares for a while”. The TV spot continues showing relaxed passengers enjoying great food on board and viewing magnificent scenery and memorable sights like Bratislava Castle and the Budapest Parliament.

The River Cruise Line offers affordable, high quality, European river cruising, from under £1000 per person. Guests often remark on how friendly The River Cruise Line holidays are, with many making lifelong friends with their fellow travellers.

The DRTV Centre’s new River Cruise Line campaign includes 40 second and 30 second commercials and is being aired nationally throughout September.

[David Pearson](#), Director of The DRTV Centre said: “TV is the ideal medium for advertising travel clients as we’re able to show great destinations and, in The River Cruise Line’s case, a truly fabulous on-board experience. River cruising is the fastest growing segment of the travel market.”
