About The Sicilian Woman's Daughter: When the novel opens, Maria, the novel's protagonist is living a charmed and comfortable life with her husband, banker Humphrey and children, in London. The daughter of Sicilian immigrants, Maria turned her back on her origins during her teens to fully embrace the English way of life.

Despite her troubled and humble childhood, Maria, through her intelligence, beauty and sheer determination, triumphantly works her way up to join the upper middle-class of British society. But when a minor incident awakens feelings of revenge in her, Maria is forced to confront–and examine–her past.

As she delves deeper into her mother's family history, a murky past unravels–and Maria is swept up in a deadly and dangerous mire of vendetta. Will Maria's carefully-constructed, seemingly-idyllic life unravel? Expect the unexpected in this outstanding new mystery….

The Sicilian Woman's Daughter is a brilliantly-plotted, exceedingly well-told tale. Novelist Linda Lo Scuro delivers a confident and captivating tale brimming with tantalising twists, turns, and surprise, a to-die-for plot, and realistic, multi-dimensional characters. Thoughtful and thought-provoking, rich and riveting, *The Sicilian Woman's Daughter* is destined to stay with readers long after the final page is turned.
