- **Best Value:** The Origin Hybrid Mattress uses advanced materials like bamboo-infused wool and a Hexagrid system for added comfort, making it a high-value choice often available at significant discounts.
- **Best Cooling:** The Simbatex Essential Foam Mattress features graphite-infused memory foam that helps manage temperature effectively, a great option for those who sleep warm but prefer foam mattresses.
- **Best Orthopaedic:** The Happy Beds Signature 2000 Pocket Sprung Mattress combines luxury materials like lamb wool and silk with practical features such as side vents and quality springs for enhanced comfort and support.
