The ultimate stocking filler – and not a pair of stockings in sight!

If you thought that the WI calendar was the ultimate cheeky charity Christmas gift, think again, these cabaret guys and girls are about to show you how it's done!

The UK cabaret community have combined forces (and feather boas) to fight cancer, and in the process have created what is surely the sauciest present for Christmas 2016.

What better to find under the tree this year than a calendar packed full of international stars of the new cabaret scene, all together, in their altogether, fighting cancer?

Available on sale from Cabaret vs Cancer www.cabaretvscancer.co.uk for just £15, with at least £10 from every single copy going directly cancer charities. All photos by Sin Bozkurt (associate of The Royal *Photographic Society) taken at God's Own Junkyard, Bethnal Green Working Men's Club, Fontaine's, The Underdog Gallery, Café de Paris and on location around the UK*.

Miss January is international cabaret sensation La Poule Plombée, brainchild of Sarah-Louise Young, one of London's cabaret elite, who recently returned from Edinburgh with a string of five star reviews! Put a spring in your step with The Folly Mixtures who squeezed in this sexy photo shoot between shows at London's sumptuous Café de Paris, and to keep you warm on those winter nights, Miss November Havana Hurricane is sure to get you hot under the collar!
