Metro Bank launched in July 2010 and provides unparalleled levels of service and convenience to customers, through every banking channel. It has brought back traditional retail banking, coupled with amazing technology. Unlike any other bank in the UK, Metro Bank also provides free coin counting for customers and non-customers with Metro Bank Magic Money Machines, instant printing and replacements for lost or stolen debit cards*, a 24 hour local contact centre manned by people not machines, and an innovative mobile app for personal customers. Metro Bank uses the most advanced technology to support customers through whichever channel they choose to use for their banking. Its innovative approach has resulted in the revolutionary bank being awarded the Technology Innovation Enterprise Award by Microsoft as part of the 2014 Microsoft Dynamics Customer Excellence Awards Programme.

All of these benefits can be enjoyed at a time that is convenient to local residents and businesses as Metro Bank is open 8am – 8pm Monday – Friday, 8am – 6pm Saturday and 11am – 5pm Sunday and bank holidays, 362 days a year.
