

# Time is Running Out to Sign Up for TrekFest – The Beacons!

Friday 10 May, 2019

With just a few weeks left before the deadline for registrations, TrekFest – The Beacons organisers Global Adventure Challenges are offering a 25% discount on registration fees for anyone looking to take on a UK trekking challenge in 2019.

Taking place on Saturday 6 July in the Brecon Beacons National Park, TrekFest – The Beacons is an adventure-filled trekking challenge with 25km and 50km distances available, both of which take participants to the summit of Pen Y Fan on their way to the finish line. Fully supported by the experienced TrekFest Crew, the event is suitable for beginner and expert trekkers alike.

A full weekend of adventure awaits for those taking part, including complimentary camping plus access to the TrekFest Village, complete with a pub and chill out tepee - perfect for soaking up the pre and post event atmosphere. Participants will also receive a post-trek hot meal, finisher's medal and t-shirt and even a complimentary massage!

This is the seventh year of the endurance challenge TrekFest, which has helped to raise almost £2 million for charities nationwide, and participants are encouraged to make their steps count and fundraise for the charity of their choice. Company Director at Global Adventure Challenges, Peter Robinson, said: "TrekFest is a truly incredible event, attracting participants of all ages and levels of trekking experience. We've seen a record number of registrations for 2019 but we still have space for a few more – so we'd encourage anyone considering signing up to take the plunge and register now!"

"The sense of community and camaraderie between trekkers inspires us every year, so whether you're signing up as an individual or as a team with friends, family or colleagues you'll be supported every step of the way by your fellow trekkers as well as our awesome TrekFest Crew!"
