Tomtom Announces New Range of Colours For GPS Sport Watches

Monday 4 November, 2013

Range of new straps in comfort and slim fit

TomTom announces a new range of stylish colour straps for its Sport Watches so users can personalisetheir watch to suit their taste or mood.

The unique modular design of TomTom's Sport Watches makes it easy to change the colour and fit of a watch. The comfort straps are available in both regular and slim fit, and in a variety of colours including pink, turquoise, black and bright green.

Both the TomTom Runner and the TomTom Multi-Sport feature an extra-large display, full-screen graphical training tools and the industry's first one-button control to make it easier for users to access the information needed to stay motivated and achieve their goals.

The new colour straps are priced from £19.99 and are available to buy now.
