FRANKFURT, August 19, 2015 - Kyriacos Striftombolas MD of TopUp Consultants - EMEA's largest independent Real Estate technology specialist - announced today that TopUp Consultants have opened a new office in Frankfurt, Germany, due to the growing demand of their products and services.

The new office is manned by experienced German staff who have worked within the Real Estate industry. The Frankfurt office will enable central Europe to have a more local experience of TopUp's leading service lines and products that resolve the software process pain points of Property and Investment Managers.

"Opening an office in Germany is the logical step for TopUp and our expansion plans due to the country's strategic positioning in the heart of Europe", says Kyriacos. "We have been handling, for more than a year, a strong demand from the Real Estate industry for our leading-edge products that work with a range of ERP systems commonly used within this region, such as SAP".

The new office coincides with the launch of a fully translated German website which will ensure the products and services that TopUp provides are perfectly understood.

The new office is TopUp's first office in Central Europe and will serve as a launch pad to develop further clientele across the CEE region. It is located at Mainzer Landstr. 50. 60325 Frankfurt am Main. Tel: +49 (0) 69 9675 9150
