TopUp Consultants secures key position hire

Wednesday 24 February, 2016

- Aravinda Annigeri leaves JP Morgan to join TopUp Consultant's highly accomplished Real Estate Consultancy team
- TopUp Consultants are EMEA's largest Independent Real Estate Property Technology (PropTech) Consultancy
- Aravinda is highly experienced with MRI Software and Yardi Systems, the world's two leading ERP systems for the multi-national Real Estate industry

LONDON February 24, 2016. TopUp Consultants are pleased to announce they have made a significant hire with **Aravinda Annigeri** joining their established Consultancy team. The appointment is a highly credible one, enabling TopUp to address the growth in demand of their specialist technical skills from the Real Estate investment and property management industry.

Aravinda has a strong work history joining from JP Morgan Global Real Assets, where he was a Senior Associate for 8 years. During that time, Aravinda was prominent in creating and managing the Global Real Estate Technology Applications department.

He is highly experienced with the two dominant ERP systems, MRI Software and Yardi Systems, which are used by the majority of the multi-national Real Estate industry, and to whom TopUp Consultants are uniquely partnered with.

With a total of 12 years' service within the Real Estate industry, Aravinda will be a key player in the continued support and delivery of TopUp's renowned Consultancy services.

About TopUp Consultants

Formed in 1997 and headquartered in London, TopUp Consultants are EMEA's largest independent software consultancy for Investors, Owners and Managers of multi-national Real Estate. Their Central and Eastern European office was established in 2015 and located in Frankfurt, Germany.

TopUp Consultants are a leading provider of Real Estate software (PropTech) applications which improve key operational efficiencies of the residential and commercial property industry.

TopUp's areas of specialism are: New country implementation, financial reporting, Tenant and Workflow solutions, Business Intelligence, Software Development and Retail property solutions.
