Toyo Tires Original Equipment on all-new Mitsubishi L200

Wednesday 19 August, 2015

Toyo Tire Europe GmbH, President Tatsuo Mitsuhata, announces that Toyo Tires Open Country A28 tires have been selected by Mitsubishi Motors Corporation for their all-new, Mitsubishi L200 pick up.

Open Country A28 tires, in size 245/65R17 111S, will be fitted throughout Europe to the 5th generation Mitsubishi L200.

Due for launch in the second half of 2015, the new Mitsubishi L200 is the ultimate evolution of one of the greatest pick up trucks ever manufactured. The new model introduces enhancing driving comfort and safety without sacrificing any of its reputation for rugged strength. Tires, a critical part of the driving dynamics of any car, need to be both robust and capable of highway speed manoeuvring. Toyo Tire Open Country A28 tires satisfy these high expectations, delivering comfort and precise control, over their long life.

With over one million cars sold worldwide, the all-new Mitsubishi L200 has a big reputation to live up to. The choice by Mitsubishi Motors of Toyo Tires as one of their Original Equipment suppliers, reflects their confidence in the high quality of materials and manufacturing.

TOYO TIRES continuously improves its technology, focusing its new product development to exceed the requirements of the World's most demanding carmakers.
