1st August 2019

TriLine GRC and 1st Stop Group have been named as finalists in the 2019 UK Credit & Collections Technology Awards. The Credit & Collections Technology Awards recognise excellence and innovation in categories such as credit, collections, credit & collections and innovation. Launched in 2017, the awards aim to reward companies and individuals leading the way in enhancing credit and collections technology.

Investment in TriLine's fully integrated GRC and SMCR solution forms part of 1st Stop Group's commitment to further enhance governance culture, systems and controls in preparation for the FCA's new accountability regime. The TriLine solution will future-proof 1st Stop's approach, using technology to move away from manual processes and controls enabling them further evidence regulatory compliance.

About TriLine GRC

For over 10 years TriLine GRC has been helping customers in the financial, commercial and not-for-profit sectors to address some of their most pressing business and operational challenges. TriLine GRC's solution is the total end to end process, enabling organisations to manage all their GRC obligations on one platform, overcoming the challenges of disparate systems and endless spreadsheets.

Commenting on the nomination, Director-Sales, UK & Europe Ian Wilson said:

It is an exciting time for TriLine GRC as we have a unique offering to the financial services sector, we are looking forward to the year ahead and our ongoing partnership with the 1st Stop Group.

About 1st Stop Group

1st Stop Group offer a range of loan products including personal loans, homeowner loans and car finance to those customers who are looking for an alternative to a high street lender. The group has experienced significant growth in the past few years and acknowledges the challenges of the ever-increasing regulatory landscape.

Commenting on the nomination, 1st Stop Group CEO Alex Mollart, said:

In order to support our continued growth and to effectively embrace FCA regulation, we have evaluated our approach to delivering robust governance, risk and compliance controls, and after a comprehensive market evaluation, found TriLine GRC to be the most comprehensive and efficient solution for a growing and agile business.
