# Tripleseat Introduces the Next Evolution of Tickets with Tripleseat Tickets

**Tuesday 5 March, 2024**

Tripleseat, the leading innovator in cloud-based sales and event management software for the hospitality industry, proudly unveils Tripleseat Tickets today, delivering a powerful event registration and ticketing solution designed specifically for restaurants, hotels, and unique venues. This exciting new product empowers restaurants and hotels to create and promote their events and experiences with a cohesive platform, that will drive revenue.

“With Tripleseat Tickets, we address the unique needs of venues who do events like live music, wine tastings, chef tables and reservations. We developed a robust all-in-one ticketing solution that is a total game changer," comments Jonathan Morse, CEO of Tripleseat. "Restaurants, unique venues and hotels can now easily sell tickets and promote their events with elevated branded landing pages and email marketing, resulting in increased sales and revenue.”

Tripleseat Tickets also seamlessly integrates directly with the Tripleseat Sales and Event Management platform for added functionality. As a Tripleseat user, creating a ticketed event and reporting on ticket sales, marketing data, and payments will all be in one application. Say goodbye to disjointed and siloed ticket events data.
