Saturday 5 March, 2022

As one of the leading virgin human hair wig suppliers, **UNice Hair** reminds customers to file their federal income tax returns for the 2021 tax year as soon as possible in order to receive a tax refund sooner. Besides, UNice Hair also suggests taxpayers file electronically with direct deposit instead of a paper tax return to avoid delays.

“Although the Internal Revenue Service has announced that the 2022 tax filing season will open on Monday, January 24th, 2022, the Treasury Department warned that this year's tax season will be a “frustrating” one.
