US Powerball Lottery Jackpot Hits a World Record and Causes Lottery Frenzy

Tuesday 12 January, 2016

Global sales of Powerball tickets have rocketed throughout the World as the Powerball Jackpot in the USA reached meteoric heights never imagined before.

$1.3 Billion Jackpot is one for the history books and could make the winner one of the richest people on the planet overnight.

The Powerball draw is taking place on Wednesday evening and is causing such a stir than ticket sales may well drive the Jackpot up to $1.5 Billion by the time the numbers are drawn.

Every news outlet is reporting how people from every Country are trying their best to get their hands on these tickets.

Until recently the tickets were only available in the USA so people have been willing to cross the border just to buy tickets.

With the advent of online ticket sales and websites like Lotto365.com people can purchase their tickets online from almost anywhere and participate in this monumental Jackpot draw.

All that's needed is to have a credit card valid for online purchases and the rest is up to Lady Luck.

The biggest advantage of playing online is the ease of playing in a lottery pool or group.

No need to ask around your friends to try and gather them together to buy multiple tickets to share the cost.

Lotto365.com has got that covered with their MegaLines tickets at Lotto365.com/Megalines .

Its an amazing deal where you can buy 100 Powerball lines for only $19, each Entry could win $13 Million and it is probably the best way to play the Lottery.

Powerball is definitely something that should not be missed out on so make sure you are in time to give yourself a chance of becoming the next Billionaire.

Good Luck
