In their recent meetings, the firm has taken the opportunity to discuss goals, becoming an entrepreneur, the difference between going to University and pursuing a career in entrepreneurship, as well as sales techniques.

Utopia Creations is confident that all of these topics had a profound effect on their contractors and that they were of vital importance for upskilling and development. Utopia Creations ensures that all of their contractors have both business and personal goals in place in order to motivate them to deliver top results. Additionally, Utopia Creations encourages and offers a unique opportunity for entrepreneurship so feels it is important for their contractors to understand what it takes to become an entrepreneur. Utopia Creations also believes that it is not vital to go to University in order to be a success so therefore felt the need to highlight the difference between each option and how one can also benefit the other. Sales are fundamental to Utopia Creations success so for this reason the firm aims to regularly cover the latest sales techniques.

All of these aspects and skills are extremely important to Utopia Creations as they are a solid part of the firm's company culture. As the firm believes that these areas are vital for success, the firm implements a unique atmosphere which inspires and drives success as a business and for each individual.

Utopia Creations is an outsourced sales and marketing firm based in Leeds. The firm specialises in a unique form of direct marketing which allows them to personalise marketing campaigns on behalf of their clients' brands in order to suit ideal consumers. Utopia Creations uses face-to-face marketing techniques in order to drive long-lasting and personal business relationships between brand and consumer. In turn, this often leads to increased customer acquisition, brand awareness and brand loyalty for their clients.
