Valentine’s Day Charity Video eCards Announced by Hope Spring

Friday 11 February, 2022

If you are sending Valentine's Day greetings to a special person in your life this year, why not send a video ecard greeting instead of a static or paper greeting? Hereford based clean water charity, Hope Spring have announced their Valentine’s Day video ecard collection for 2022.

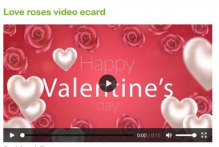

Twenty video ecards, with Valentine’s day greetings ranging from messages for one ‘s love to greeting messages that can be sent between siblings, parents and other people you may want to wish a happy valentine’s day. Most of the video ecards were designed by Hope Spring volunteers.

According to Hope Spring eCards platform creator and trustee, Temi Odurinde “Valentine's day ecards are usually the best selling ecards in the first quarter of the year. This year, we are pleased to have extended our Valentine’s Day ecard offering with the new video eCard range”. Temi added “the video ecards are a lot more fun than static ecards, I have a feeling we will sell more video than static ecards this year”.

Valentine’s Day is that special day when people exchange greetings and presents with the love of their life or a person they have affection for. The 2022 Valentine's day falls on Monday the 24th. It is a day Hope Spring water hopes their supporters and the general public will send a Hope Spring valentine’s day ecard and make a donation to the charity. Donations from ecards sent on Hope Spring platform go toward safe clean water projects on the parts of West Africa they work.

To find out more information about Hope Spring eCard and the work of Hope Spring water who they raise funds for, please visit their website, social media page or contact them via the contact information on their website.
