Age does not protect you from love. But love, to some extent, protects you from age. —*Anais Nin*

In this time of post viral fatigue, we have a celebration to look forward to in the form of Valentines Day. Even the heartiest and happiest of us all have started to flag so why not have a lot more fun and passion this 14th day of February.

Top of our favourites is Bombyx in all its wonderful forms. We call it the Bombyx Bounce.

Bombyx Daily for Men is a libido-boosting energy enhancing daily supplement which not only improves libido naturally but enhances energy, brain function and hormonal stability.

Bombyx Mori L Complex on demand, ***need we say more.***

Bombyx Formula 100 for the lighter touch is not as powerful as Bombyx Mori L **but just as much fun.**

Bombyx for women: Bombyx Peptide Complex has been specially ***formulated for women*** with high potency plant-based ingredients, to enhance and **support a healthy libido**.

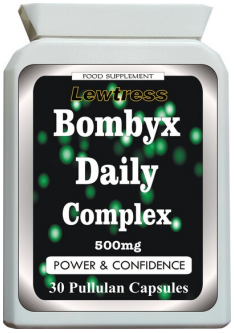

Every single person is unique which is why we have other aphrodisiac supplements to choose from, so perhaps you would prefer a little:

- **Super Maca** for energy and performance for both male and female if you are feeling a **low sex drive** due to pandemic fatigue. Maca may help with low sex drive performance and energy.
- **Muira Puama** for love **Aphrodisiac commonly used for supporting psychological and physical libido**
- **Damiana Aphrodisiaca** for passion **reigniting desire and pleasure**
- **Horny Goat Weed** to help boost desire and performance. Large numbers of people buy Horny Goat Weed purely to kick-start their energy levels especially when having that **‘just can’t be bothered’ feeling.**
- **Tongkat Ali** which may enhance libido, energy levels, endurance, and stamina. All men need healthy testosterone levels and Tongkat Ali supports testosterone.

- **Tribulus Terrestris** rumoured to be a most reliable and potent libido booster for men and women.

Whatever your passion enjoy these wonderful supplements by Lewtress from around the world.
