- Enhanced finance deals across multi-award winning van range
- New rates on Corsavan, Astravan, New Combo, Vivaro and Movano
- British-built Vivaro available from just £199 per month excluding VAT

Luton - Vauxhall has enhanced its finance deals across its multi-award winning commercial vehicle range.

Supported by the manufacturer's extensive dealer network and available on the Corsavan, Astravan, New Combo, Vivaro and Movano, the new contract hire rates mean that the entire Vauxhall CV model range is even more affordable.

For just £199.99 per month excluding VAT for business customers, the British-built Vivaro comes with the Extra Value Plus Pack, including: air conditioning, remote alarm and Electric Pack. Also UK-produced is the Astravan Sportive, available from £161.99 per month excluding VAT. The new-to-the-range Combo Van is available from £166.99 per month excluding VAT.

"Our new Vauxhall Leasing offering has been developed to meet the many challenges of running a modern van fleet," said Richard Collier, Vauxhall's National Commercial Vehicle and B2B Sales Manager.

"Our contract hire solution is both flexible and highly competitive in the marketplace, while our excellent regional coverage means customers can take advantage of the fully maintained packages which cover services and brakes and tyres, providing hassle-free motoring."

The lower rates, which include Roadside Assistance and Vehicle Excise Duty for the duration of the contract, mean that Vauxhall can now act as a one-stop-shop for customers' supply and fleet management needs.
