

Vegan Chocolat Launches Innovative Coffee Bean Confectionery Chips – Real Coffee, Real Creativity for Food Professionals

Tuesday 23 September, 2025

Folkestone, UK – Vegan Chocolat, the B2B arm of Plamil Foods, announce the launch of Coffee Bean Confectionery Chips, the latest innovation designed specifically for bakeries, snack and dessert manufacturing, food service, catering, pâtisseries, and all seeking authentic coffee flavour in their creations..

Product Highlights

? Made with real coffee beans, in a similar way to chocolate for a smooth, creamy texture with a genuine coffee kick.

? Solution for adding real coffee flavour - enables companies to replace coffee flavourings with real coffee for authenticity.

? Use like chocolate

? Ideal for inclusions, drizzles, coatings, decorations

? No allergens;- Suitable for all, including vegans and vegetarians.

? Made at Plamil's BRCGS certified factory.

Pricing & Formats

Coffee Bean Confectionery Chips are available in two bulk sizes:

? 1 kg bag – price: £19.680 per kg (standard trade rate)

? 7.5 kg bulk pack – price: £106.38. (Quantity Discounts available = 2-4 Cases = 5% 5-9 Cases = 9% and 10+ Cases =12%)

Special Launch Offer: 20% Off Trade Prices

For a limited time only, Vegan Chocolat is offering 20% off on both 1 kg and 7.5 kg trade orders of Coffee Bean Confectionery Chips.

Order & Contact

Orders can be placed at veganchocolat.co.uk, with free shipping on all orders across mainland UK. Manufacturers, cafes, and food-product businesses interested in samples, specification sheets, or bespoke supply should contact the team directly.
