VeriCall Listed on Leading Procurement Portal The Educational Hub

Wins Two More Gold Awards for Best Contact Centre and Customer Service

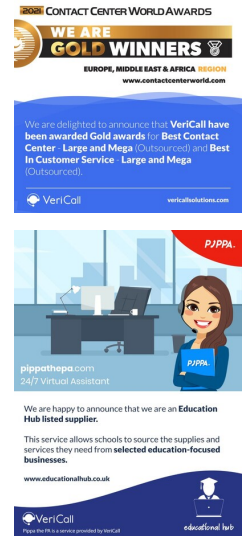

October 29, 2021: VeriCall Ltd today announced that it has been approved for listing on the Educational Hub, the leading procurement portal for Schools in the UK and is now able to provide services to any of the schools registered there.

VeriCall also announces that it has, once again, been recognised as the Best in the World with two GLOBAL GOLD awards at the the Contact Center World 2021 Best in Europe, Middle East & Africa awards ceremony. VeriCall won 'Best Contact Centre (Large and Mega Outsourced)' and 'Best In Customer Service (Large and Mega Outsourced)'. The 2021 Awards were given out earlier this month at an online ceremony.

"We love our teams being recognised for their dedication and hard work delivering amazing customer service, but to be No 1 in the Large/Mega category only one year after being No 1 in Small is something for us all to be extra proud of!" said VeriCall CEO Adam Taylor.

"I am also delighted for us to be featured officially on The Educational Hub – where more than 30,000 schools are registered – as we have a number of services very well suited to them – especially our 24 Hour Virtual Assistant service Pippa The PA. It is cost effective, very efficient and can help schools of all sizes," he concluded.
