

Veritek Global appoints James Brice-Wallis as Group Finance Director

Thursday 4 December, 2025

Veritek Global Ltd, a pan-European specialist in the installation, maintenance, and repair of mission-critical equipment, is pleased to announce the appointment of James Brice-Wallis as Group Finance Director. James will oversee Financial, HR and IT operations across the UK and the company's regional hubs in Germany, Spain, and Italy.

James brings more than two decades of finance experience across sectors, including healthcare, media, and recruitment. A chartered management accountant, he began his career in the NHS, gaining extensive experience in financial control, management accounting, reporting, audit, and treasury. He has since held senior finance roles in global and SME businesses, developing expertise in building strong support services and cross-functional teams.

"I'm a numbers person. I can see that Veritek has fantastic data and analysis. I'm looking forward to drilling down into the detail to see what more the business can do to make a difference," said James Brice-Wallis. "I'm excited to work with Veritek's talented team and build upon the Group's platform that supports sustainable growth, efficiency, and operational excellence."

James is particularly drawn to Veritek's people-focused culture and consistent, measured growth. He looks forward to working with the Group's General Managers across Germany, Spain, and Italy to support operational performance and nurture and develop high-performing teams.

Martin Peck, Chairman of Veritek Global, added: "We are thrilled to welcome James to our leadership team. His experience in finance and operational management, combined with his collaborative approach, will be instrumental as we continue to grow our business across Europe and strengthen our service delivery to our multinational OEM customers and partners."
