Vertical Leap shortlisted for Best Use of Search in Wirehive awards

Friday 8 August, 2014

Specialist search marketing agency Vertical Leap has once again been shortlisted in the prestigious Wirehive awards for the second year running. The Wirehive 100 Awards and League Table showcase digital excellence and recognise the outstanding work from agencies in the southern counties based outside of London.

Vertical Leap was listed in the top five agencies to work with in the Wirehive 100 in 2013 and they look set to take this year's awards by storm. All of the judging is overseen by an independent panel of distinguished digital professionals and, with a 40% increase in entries, it is a significant achievement to be nominated.

Andrea Wilcox Head of Marketing at Vertical Leap says: "Being involved in the Wirehive Awards is a great accolade - it is a recognised and credible benchmark of digital excellence. We are proud to be in the top five agencies to work with outside of London and to be shortlisted for Best Use of Search again in 2014."

"We are looking forward to the awards ceremony on the 16th October at Denbies Wine Estate in Surrey. We will be taking our clients London Irish and Premiership Rugby with us to share the celebrations, since it was their campaign that showcased our expertise, experience and ultimate success."
