Virgin Holidays has launched its first ever dedicated Golf Brochure, bringing together a wide range of America's best courses, to suit all tastes, budgets and handicaps.

Showcasing the USA's varied and vast collection of golfing resorts, the brochure ranges from luxury desert courses in Palm Springs and Las Vegas, to striking beach side locations across Florida, California and the Carolinas.

There's even a chance to tee off in the footsteps of a pro by playing on some of the country's' most prestigious courses. Choose from regular tour venues including TPC Sawgrass, PGA National, Trump National Doral and Harbour Town Golf Links. In addition there are venues with a special place in golf history having hosted Ryder Cups and major championships, including Kiawah Island Ocean Course, Pinehurst No2 and Pebble Beach.

Catering for couples and groups, the new collection offers flexibility for every kind of traveller, with both single and multi-centre trips, for travellers wanting to combine a golfing break with another Virgin Holidays destination.

Lee Haslett, Director of Sales at Virgin Holidays, commented;

"As the UK's favourite holiday company to the USA, the time felt right for us to showcase the variety of world class golf resorts the country has to offer. Although this is an entirely new collection for us, our customers can be assured in the knowledge they'll still receive the same high standard Virgin Holidays are renowned for – and we'll even fly your golf clubs free of charge!"
