Volkswagen announces super value finance offers on new Golf SV

Thursday 12 June, 2014

With Volkswagen Retailers now taking orders for the new and super versatile Golf SV, Volkswagen Finance has announced a number of attractive offers which also make it super value to own.

From now until the end of June, retail customers can order a Golf SV on Volkswagen Finance's Solutions personal contract plan with monthly repayments over three years from £225 per month* for the Golf SV S 1.2-litre TSI model, at **7.6 per cent APR representative**. Fixed price service plans are also available for up to four years for just £15.99 per month^^.

The all-new Golf SV replaces the Volkswagen Golf Plus which has been on sale since 2005. The Golf Plus was recently named best Small Family Car in the *What Car?* / J D Power customer satisfaction survey, and came second overall, pipped to first place only by its city car stablemate, the up!.

The all-new Golf SV promises an even more rewarding ownership experience, benefiting from all the advanced technology of the award-winning Golf hatchback range, but in a larger, even more practical, spacious and versatile body. Greater interior space provides greater flexibility, with the rear 40:20:40 bench seat, for example, able to slide forwards and backwards by up to 180 mm, to increase either passenger or luggage space as required.

With a raft of standard safety features, economical engines and numerous comfort and convenience innovations, the SV is also great value, with prices starting at £18,875 RRP OTR for the entry-level S 1.2-litre TSI 85 PS model.

The Golf SV is the newest addition to Volkswagen's 20-model strong range, which offers a car to suit every need, taste and budget. Full details of all of these can be found on the company's award-winning website where you can configure your perfect model, changing every detail from the engine, colour, specification and wheels to the optional extras.

Once you've designed the perfect car you can also produce a finance quote, allowing you to see the monthly cost of owning your new car. If you're ready to take the next step, simply go to the online test drive booking area of the website, or take your unique configuration code to your local Volkswagen Retailer and they'll be able to pull up your car, saving you time in the showroom.

For more details on the Golf SV or any other Volkswagen please visit your nearest Volkswagen Retailer or go to www.volkswagen.co.uk.
