

Volkswagen Commercial Vehicles Appoints New Head Of Service And Parts

Monday 16 February, 2015

Volkswagen Commercial Vehicles has appointed Trevor Hodgson-Phillips as its new Head of Service and Parts, with effect from today.

In his new role, Trevor will report directly to Carl zu Dohna, Director of Volkswagen Commercial Vehicles, and will be responsible for driving the brand's aftersales activities in the UK.

Trevor joined the Volkswagen Group in 2000. Since then he has progressed through the organisation, holding management roles at Volkswagen Passenger Cars and most recently ŠKODA as Head of Planning.

Carl zu Dohna, Brand Director of Volkswagen Commercial Vehicles UK, said: 'I am delighted to be welcoming Trevor into the brand. He brings with him extensive experience within the Volkswagen Group and he will be a great asset to the Service and Parts team.'

'Volkswagen Commercial Vehicles celebrated record sales in 2014 and the brand has now cemented its position as the number two light commercial vehicle manufacturer in the UK – this is an exciting time for Trevor to join the business.'

Trevor succeeds Kevin Rendell, who assumes the position of Head of Customer Quality and Network Development for Volkswagen Passenger Cars.
