Vooglam Upgrades Shipping Packaging and Enhances Customer Experience

Thursday 27 February, 2025

Fashionable online eyewear brand Vooglam is committed to providing quality eyewear and customer experience, optimizing upgraded shipping packaging and expanding payment methods. These improvements reflect Vooglam's commitment to providing customers with excellent service, convenience and value.

In the upgraded shipping package, each pair of Vooglam frames will be shipped in upgraded shipping packaging and equipped with a premium care kit. The kit includes a branded eyewear case, a stylish pouch, a microfiber cleaning cloth, a PD ruler and a detailed care guide. Whether you store your glasses at home or on the go, this comprehensive kit ensures that your glasses are protected, cleaned and well-maintained. The thoughtful addition of a PD ruler also makes it easier for customers to measure their pupil distance at home, simplifying the process of ordering prescription lenses.

In addition to upgraded packaging, Vooglam now accepts Flexible Spending Accounts (FSAs) and Health Savings Accounts (HSAs) to pay for prescription glasses and sunglasses. This new payment method provides customers with greater flexibility and convenience when purchasing their favorite frames. Please note that FSA and HSA cards must be linked to a major credit card to complete the transaction. This update makes it easier than ever to invest in premium eyewear and take advantage of your healthcare benefits.

Vooglam continues to redefine the online eyewear shopping experience by combining style, function, and customer-centric innovation. From bold, fashion-forward designs to practical features like upgraded care kits and FSA/HSA payment options, Vooglam ensures every customer has a seamless and satisfying journey.

Explore Vooglam’s extensive collection of prescription eyewear and sunglasses today and take advantage of these exciting updates. With free shipping on orders over $69, a 30-day return policy, and a 365-day quality guarantee, Vooglam is your go-to destination for stylish, premium eyewear.

About Vooglam

Vooglam is a funky online eyewear brand dedicated to creating stylish, affordable, premium eyewear and sunglasses. With a focus on innovation and customer satisfaction, Vooglam is continually setting new standards in the fashion eyewear industry.
