VRCO starts Japan Operations

Tuesday 9 July, 2019

27th June 2019 - VRCO LTD an aerospace innovations company based in Derby, building the NeoXcraft personal eVTOL craft, has appointed Mr Hisashi Asai, MBA as a Director of VRCO LTD leading the development of its Japan Operations.

Mr Asai's main objectives will be to ensure that VRCO LTD's eVTOL craft can service this significant market in an effective and efficient manner. Japan also has a number of partners who can provide underlying components and services and he will also be responsible for bringing forward such partnerships.

VRCO is delighted to have secured trusted representation and looks forward to seeing this market develop and become an early adopter of the NeoXcraft.

Mr Asai commented, "The NeoXcraft eVTOL with its high-quality unique design and capabilities make it perfect for the Tokyo market and already we have secured considerable interest. The focus on safety and performance is clear and vital for the long-term success of the project".
