Watch Live: GMIC Live 2020 on September 24-25

Thursday 24 September, 2020

Have interests in AI, 5G, Blockchain, or any cutting-edge technology and want to know how would they shape our lives? Wish to connect with global entrepreneurs and leaders from the tech industry? Join the GMIC this weekend to hear from Pieter Abbeel, Tim Draper, and many others!

The Global Mobile Internet Conference (GMIC) Live Pro will kick off on September 24, featuring cross-border live streams from tech capitals including Beijing, Silicon Valley, Tokyo, Bangalore, London, Tel Aviv. Over 80 speakers and 100 companies will join the Thought Leadership Summit and Global Marketing Summit to discuss the trending topics with global viewers.

This is GMIC's 2nd online edition and it will fully showcase the digital transformation accelerated by Covid-19 and how technology continues to enable growth and connect the world.

China Standard Time:

September 24 19:00-23:30

September 25 8:30-23:30

Pacific Time

September 24 4:00AM-7:30AM

September 24 5:30PM - September 25 8:30AM

About GWC

GWC was founded in 2008 with the mission to connect the world and enable innovation. GWC achieves its mission through global conferences, a membership network, an executive university program – GASA, and a venture fund. The GWC membership is a private, invitation-only community for innovators and executives from leading technology companies to build trusted relationships, share insights, explore collaboration and develop international growth strategies. GWC has offices in Beijing, Silicon Valley, Tokyo, Sao Paulo and Bangalore. GWC shareholders include Tencent, Baidu, Xiaomi, Didi, Sina, DST, Cheetah Mobile, and Qualcomm.

About GMIC

Since its first edition in 2009, The Global Mobile Internet Conference (GMIC) has grown to be one of the most influential industry conferences worldwide, connecting over 1,000,000 innovators from 70 countries, various industries, and verticals.
