

WHAT'S THE COOLEST CAR FOR DADS ON THE SCHOOL RUN?

Tuesday 13 June, 2017

Automotive experts hpi has revealed the top five list of cars guaranteed to boost the 'school gate cred' of UK dads following a poll amongst its team of motoring editors.

The poll comes ahead of Father's Day (Sunday 18 June).

James Dower, senior Black Book editor at hpi, said: "With Father's Day this month we thought it would be fun to look at some of the makes and models of cars that can give the ultimate feeling of school gate cred. Our team of editors considered everything from top of the range supercars to one-off fantasy cars as seen in the movies such as the classic DeLorean from Back to the Future or Vin Diesel's 1968 Dodge Charger featured in the latest Fast and the Furious movie. They eventually decided to keep it real by settling for more realistic vehicles that would really appeal to dads."

The Top 5 list of cars offering the greatest school gate cred is as follows:

- 1) Jaguar F-Pace
- 2) Range Rover Evoque
- 3) VW Tiguan
- 4) Audi TT
- 5) BMW X1

Added James: "The Jaguar F-Pace just edged it in our poll ahead of the Evoque and the Tiguan. With its iconic Jaguar heritage in a popular SUV bodystyle, the F-Pace is sporty and compact yet relatively affordable. It's also perfect for the age range of a dad doing the school run."
