Win a MasterChef Finalist 4-course dinner at charity evening

Wednesday 16 January, 2019

Leading disability charity, Enham Trust, is inviting dignitaries, supporters and the general public to their fundraising Gala Evening on Friday 1 March at historic country house, Penton Park near Andover.

The evening is to celebrate the charity's future, to thank our past and current supporters and to raise vital funds for their health and wellbeing services provided by the Trust. Wearing cocktail dresses and dinner suits, there will be luxury canapes and award-winning English sparkling wine, courtesy of Hattingley Valley Wines.

The charity has secured some fantastic auction prizes including a wine tour and tasting, gliding lessons, tickets to Newbury Racecourse and a 4-course dinner in your own home from MasterChef favourite Juanita Hennessey, with more prizes to announce on the night.

Juanita Hennessey said of the event;

"I am delighted to be supporting this leading disability charity and auctioning a four-course dinner experience. We hope to raise as much as possible on the evening so that disabled people can learn new skills through Enham Trust's health and wellbeing services."

Scott, a disabled resident and volunteer at the Enham Trust cafe added;

"The health and wellbeing services have taught me so many skills, like using the café equipment and how to act in a customer facing role. It's something I look forward to each day."

Hannah Leicester, Head of Income Generation at Enham Trust said;

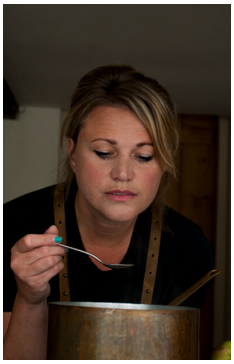

"We are excited to be hosting such a prestigious event at Penton Park to raise money for our health and wellbeing services, which rely on donations and fundraising to run.

"The evening will have live jazz from Laura Budd and a chance to bid on some amazing prizes, including the 4-course dinner experience from Juanita. We want to take this opportunity to thank everyone for donating auction prizes and to Hattingley Valley Wines and Correct Contract Services (CCS) for sponsoring this event. This is an evening you won't want to miss!"
