Monday 12 August, 2013

[Winner Sports](#) is launching on TV screens throughout the country with their brand new TV ad. Read more to discover all the information necessary about Winner Sports, including promotions, bonuses and everything else of value.

This great advert highlights how far Winner Sports has come in their meteoric rise. After only being launched in early 2013, Winner Sports soon joined the ranks of the world's top online book makers. Primed as a one-stop betting hub, Winner Sports offers punters a staggering amount of options when it comes to sport markets, a great promotion system, and an impressive level of convenience.

[Winner Sports](#) holds its own amongst other bookmakers by offering a comprehensive coverage which ensures that punters never miss any of the details or live action when it comes to their favourite events. Live-betting lets gamblers take control and work the odds as they unfold with matches.

This especially can be seen in the advert, which showcases Winners increasingly important mobile platform and app, which like the platform, offers the punter to bet on popular and niche markets alike with competitive odds.

Winner Sports offers new punters a **generous welcome bonus when making their first deposit: a £25 matching bet**.

The advert shows a delighted punter revelling in a winning bet on a different match, while down at the pub with his mates. He jumps up in joy and showcases his dancing skills in front of a bemused crowd. This entertaining advert captures the feeling of winning a bet. The ecstatic rush and shout of joy are common, although not always in a crowded situation.

**Head of Sport, Yoni Sidi, said:** We are very excited about launching our TV advert. We are sure people will love it. We are also happy for it to highlight our mobile capabilities. Mobile betting has become a real game changer in the market, and we are happy to have an excellent service that offers an easy-to-use experience while including the important in-play betting opportunities.

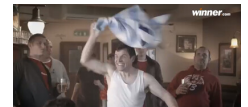

Look out for the [Winner Sports TV](#) ad on Sky Sports News, Sky Sports 1-3, Comedy Central, Comcen Extra, Fox / Music Channels, Dave and E4.
