- **The Ahmadiyya Association for the Propagation of Islam** (*Ahmadiyya Anjuman Ishaat Islam*) was established in 1914 at Lahore to promote the informed understanding of Islam in the West. In the UK it operated the Shah Jehan Mosque in Woking until the early 1960s. Its new UK headquarters is at the above address. In 1924, it built the first mosque on the Continent at Berlin. This mosque is now recognised by the German government as part of German heritage. From its European, and other centres around the world this organisation has taught that Islam promotes peace, harmony and mutual respect between all communities and nationalities.
