Worldwide leader in separation technology to exhibit at ACHEMA 2022

Friday 19 August, 2022

Russell Finex will exhibit their world leading sieving & filtration solutions at the prestigious **ACHEMA 2022 exhibition** from 22 – 26 August in Hall 12.0, Booth A19.

Frankfurt, Germany: Russell Finex, global sieving & filtration specialists, will be exhibiting the leading separation technology at ACHEMA 2022 – the world forum for process industries. ACHEMA brings together 145,000+ professionals from across different process industries. Held between 22 – 26 August 2022, Russell Finex can be found in Hall 12.0, Booth A19.

With the widest range of separation equipment, Russell Finex will be highlighting their complete offer. This includes screeners, grading sieves, self-cleaning filters, liquid-solid separators, ultrasonic sieve deblinding systems and their complete range of after sales support.

Rob O'Connell, Sales & Marketing Director for Russell Finex invited industry professionals to meet their friendly and experienced sales engineers at the exhibition and commented *"We have over 85 years' experience of solving issues in many industries around the globe, improving product quality and productivity."*
