

ZAPP BOX LAUNCHES NEW PUBLISHING PLATFORM FOR ASPIRING MUSICIANS, AUTHORS, POETS AND FILM MAKERS

Wednesday 12 August, 2015

ZAPP BOX is an innovative, interactive, streaming comparison website launched in May 2014, which searches and compares the prices of millions of products including movies, TV programmes, music and e-books in seconds. ZAPP BOX is independently owned and therefore impartial in providing the best prices available from the confusing maze of sites offering streaming products.

CEO James Drinkwater is delighted to announce the launch of the new ZAPP BOX publishing platform which allows aspiring artists to take control of the promotion and revenue from their work.

"Bringing together an online entertainment comparison platform and an artists' publishing platform has never been done before. ZAPP BOX will now provide aspiring artists with a platform to showcase their work on the web's largest entertainment website alongside more established names"

The ZAPP BOX publishing platform will become a new social media hub helping artists to connect, develop and interact their own fan base.

"We are delighted to give musicians, authors, poets and film producers greater control over the value of their work"
